

LADY VICTORIA

120ft / 36.58m Leadship
1991/2016
Sleeps 8 guests in 4 staterooms

LADY VICTORIA offers a complete escape from the average and ordinary. A **true gentleman's yacht**, she is a haven of impeccable elegance.

LADY VICTORIA has the **full complement of water toys**, including two underwater scooters. For the ultimate in classic style, she also carries a sleek, **18-foot Riva motorboat**, which has been completely restored to concours d'elegance standards. Complementing the Riva is a 16-foot hard-bottom inflatable that's perfect for **watersport activities** and exploratory excursions.

Her gracefully classic exterior lines are complemented by a **refined interior** that suggests the atmosphere of an exclusive club.

Led by her gracious and exceptionally experienced captain, **LADY VICTORIA's** crew look forward to creating a memorable, **five-star experience** custom-designed for her guests.

Up on the **sundeck**, guests may choose to stretch out in the lounge chairs or enjoy the scenic views from a table and chairs set beneath **large umbrellas**. A **new entertainment center** has been added here for listening and viewing pleasure.

The Jacuzzi, with **ample space** for up to six, is an irresistible place to **unwind** in the gentle breeze or beneath the stars. The Jacuzzi can also be converted to a comfortable **sunbed**.

The **covered aft deck** is a popular spot for casual meals and cocktails. Its high-gloss varnished mahogany chairs, along with dark blue and red piping-accented cushions, suggest the feeling of a **stylish yacht club** and invite relaxed conversations.

Beautiful French doors open from the aft deck into the **expansive salon**, where soft, cream-colored furnishings lend a light, **contemporary touch** to masterfully crafted, **curved wood paneling accented with gold**.

The salon opens to the dining area and a large oval table whose **supremely comfortable** chairs invite lingering over candlelit dinners.

Also on the main deck, a richly **furnished library** creates a welcoming spot for quiet pursuits. Recent upgrades include a **modern entertainment center** with over 400 movies, satellite TV, and a variety of games. This **handsome space** can be converted to a sleeping cabin with a queen bed, giving the yacht the capability to **accommodate up to eight guests**.

Three large staterooms are located on the lower deck, just down a spiral staircase. The **full-beam master** is fitted with a king bed, seating area, and desk. Its **his-and-hers bathrooms** with spa tub and shower are finished in spectacular golden onyx.

A second spa tub is found in the **onyx-lined** bathroom that accompanies the lovely queen stateroom. In the third stateroom, with two twin beds, the ensuite bathroom has a steam shower framed by a **vaulted blue-glass ceiling**.
