PARSIFAL III | 53.80m (176ft 6in) | Perini Navi | 2005 (2021)

## PARSIFAL III

Parsifal III was a custom build for experienced owners and this 54m vessel is no ordinary sailing yacht. Parsifal III was launched in 2005 and following her delivery, she was the winner of no less than five prestigious awards including Superyacht of the Year (sailing yacht) and Best Interior (sailing yacht) in the Boat International World Superyacht Awards.

Built by Italian yard Perini Navi, the sleek Parsifal III sets new standards in sailing excellence by maintaining high levels of comfort whilst still offering fantastic performance. From her one-off exterior design with striking black hull and exterior furnishings to her extraordinary interior, she can only be described as exceptional.

Parsifal III is one of the fastest Perini Navi superyachts, with high-tech carbon masts and fully automated in-boom furling. Parsifal III also has a winged keel which allows her to reach speeds in the region of 18 knots under full sail.

The exquisite craftsmanship of her striking interior has been designed by the world famous Rémi Tessier, and offers a magnificent blend of dark ebony and light sycamore complemented by natural textiles and fine leather accents.

Parsifal III offers accommodation for up to 12 guests in a configuration of 5 en suite cabins, including a vast full-beam master suite. Amidships there are two further doubles and two twins with additional Pullman berths. Parsifal III's main salon and dining area open fully onto the aft deck and can also be opened forward to the wheel house, giving a unique 360-degree view from within.

Her fantastic outdoor areas feature a wide range of amenities including an array of sunbathing and entertainment areas. Outdoor dining in the cockpit can be shielded from the elements by raising clear glass windbreaks so as to not ruin the view. On the large flybridge Parsifal III boasts dual helm stations, a Jacuzzi and sunpads, a full wet bar and Teppanyaki-style grill, and lounging and dining areas that can be shielded from the sun by a large awning if needed. Of course guests also have the option of dining on the hydraulic swim platform if they are looking for something little different!
