TRANQUILITY | 91.50m (300ft 2in) | Oceanco | 2014

## TRANQUILITY

Tranquility is an outstanding 91.5m superyacht built by the prestigious Oceanco shipyard in the Netherlands. Tranquility benefits from the finest aesthetics and technical standards and, testament to her pedigree, was awarded 'Yacht Of The Year Over 82m' at the 2014 World Superyacht Awards.

Built to Ice class and PYC compliant, Tranquility is truly exceptional in her capabilities. An ocean-crossing world explorer, this iconic superyacht boasts a vast 20sq.m swimming pool and accommodation for up to 22 guests.

Tranquility's interior was designed by Andrew Winch and along with Travertino Veluto marble and bleached oak with wenge finishing, the decor has a subtle, oriental influence. In the upper saloon, a fully operational, perspex-cased piano is a spectacular show piece, and there's a luxuriously comfortable lounge area as well as a formal dining room for 12.

Guest facilities include a spectacular aft beach club which transitions through to a fully-equipped gym boasting a large balcony on the starboard side allowing direct access to the sea, and an indulgent spa suite - complete with a sauna, Hammam, experiential showers, plunge pool and a massage/treatment room.

On Tranquility's aft upper deck, the large Jacuzzi pool takes centre stage and here there is an outdoor bar as well as plenty of free-standing sun loungers and deck furniture. Another Jacuzzi is found forward, with this area directly accessible from the master stateroom.

The master suite itself benefits from a private owner's study and an exceptionally large bathroom with a free-standing bathtub. The master suite's forward and elevated position delivers incredible views. The interior configuration allows for 9 further guest cabins, with the two VIP suites (located on the main deck) benefitting from private balconies, plus the Master Stateroom office able to convert to a double stateroom. In addition to this, Tranquility offers separate crew quarters for up to 29 ensuring an excellent crew to guest ratio for the highest standards of service.

The VIP stateroom located on the bridge deck is full beam and boasts a spectacular 180 degree panorama through floor to ceiling windows.

Tranquility achieves a top speed of 18 knots and comfortably cruises at 15 knots. Tranquility is fitted with zero speed stabilizers which increase on-board comfort when the yacht is at anchor.
