12 knots

LOCATION
South of France

Charter rates

High season: 180,000€ per week

Low season: 160,000€ per week

GEMS II

GEMS II, a contemporary 40m tri-deck with many unique attributes that make her attractive to yacht enthusiasts.

Built by Tamsen Yachts in 2009 (Turkish shipyard), M/Y GEMS II has been maintained to a high standard with on-going maintenance and refits. IN 2015 she was fitted with brand new stabilisers and a further refit in 2016 has left her in top cruising condition.

Boasting an all in-house interior and exterior build, this luxury yacht exudes charm and sophistication with a playful edge. Her masculine lines and grey hull turns heads in port but cleverly conceal a beam of 8.6 meters which has created a voluminous hull with a superior amount of space below deck. As a comfortable cruising yacht, she can achieve a top speed of 17 knots.

Exterior

GEMS II boasts a variety of outdoor spaces for guests to enjoy: the foredeck is particularly impressive with comfortable lounging and dining areas by the jacuzzi, while the top deck features a large retractable dining table for 12 guests that converts to a huge sunpad. On the aft you will find a sophisticated alfresco dining area - reminiscent of some chic Ibiza day club or cozy ambiance with a nice skylights and a retractable TV.

The cutting edge composites ensures outstanding performance, fuel efficiency, and insulation against sound and vibration.

Main saloon

Her interior, created by Julia Tamsen, is a contemporary fusion of zebrano and ebony woods accented with white leather-clad walls, sofas and armchairs. The vast main deck space is broken only with partial wall dividers offering a continuous flow throughout the yacht. Large sliding doors on both the main and upper deck seamlessly merge indoor with outdoor living. A large sliding glass roof in the upper saloon allows for swathes of light to filter through.

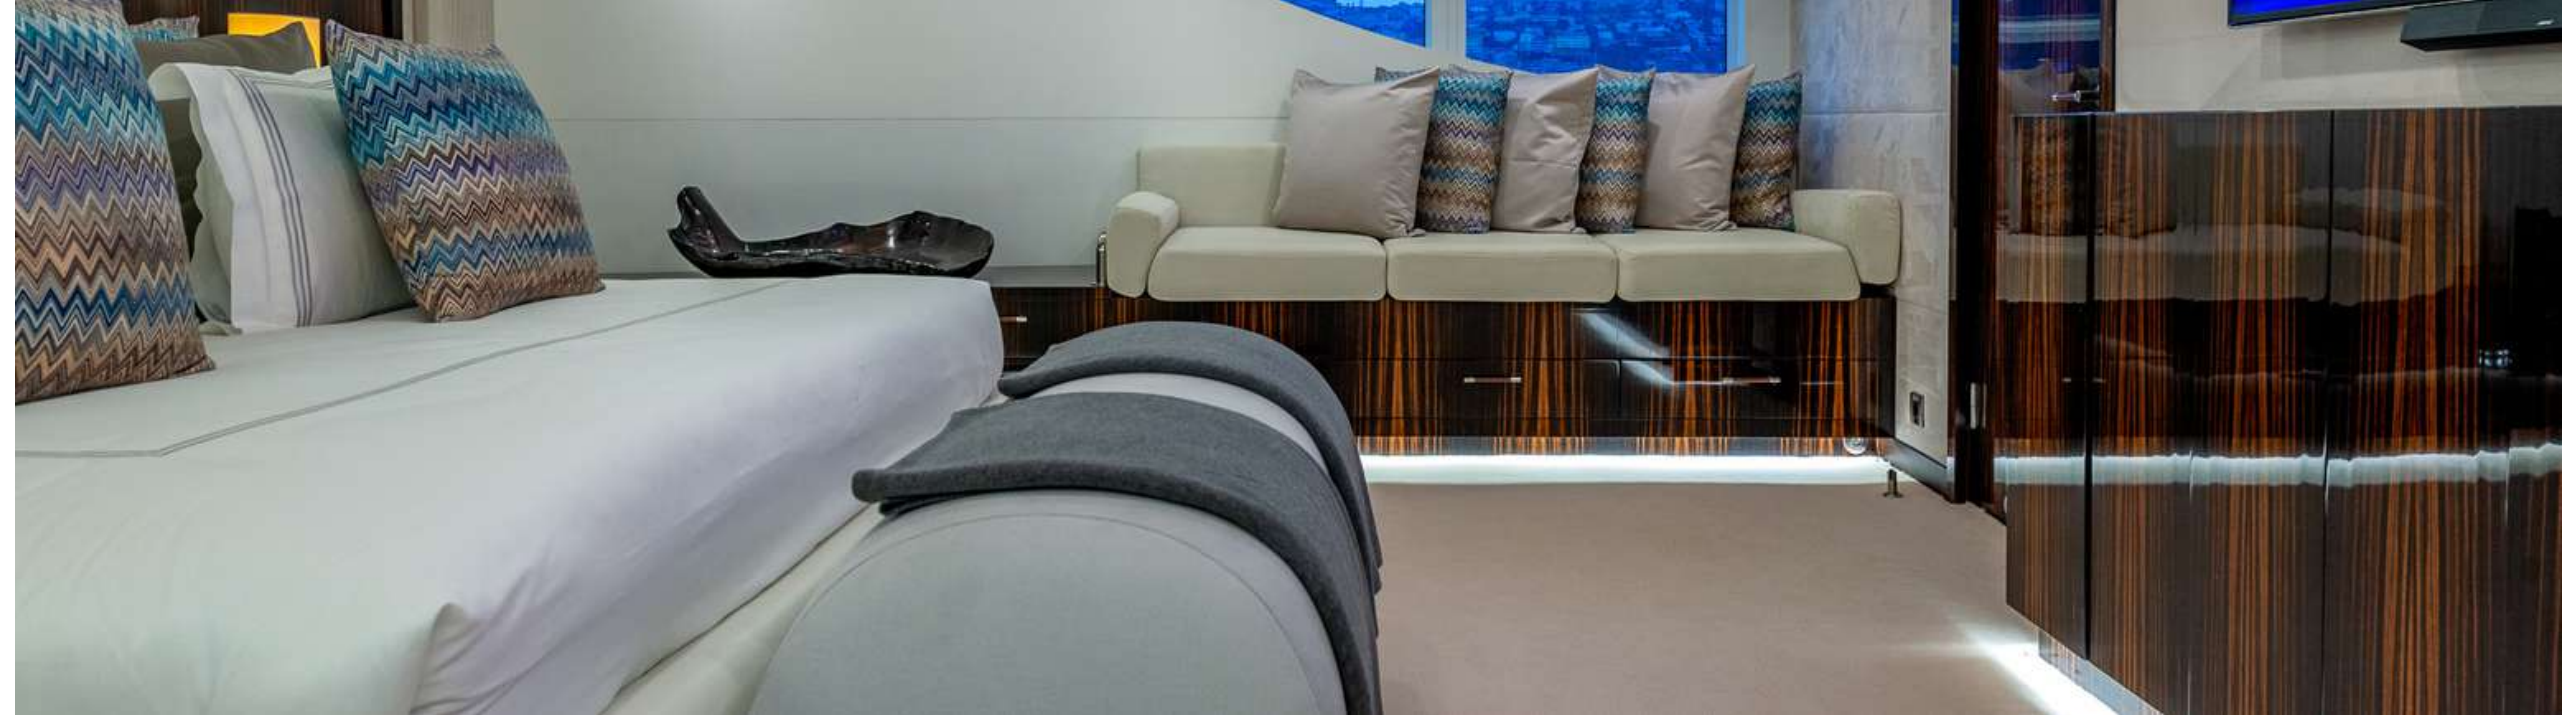

Master Stateroom

This huge master's bedroom on main deck features an office, nice dressing, Apple TV and a spacious ensuite with a jacuzzi bath.
