

LONE STAR

130' Hatteras

LONE STAR

LONE STAR is an exceptional charter yacht attentively cared for over the years. While built in 1995, she has received multiple refits with no expense spared. Every system has either been rebuilt or replaced, making her better than ever. She showcases a desirable tri-deck layout and luxurious amenities, perfect for cruising with family and friends.

LONE STAR provides accommodations for up to 10 guests in 5 luxurious staterooms including a full beam master on the main deck with king sized centerline bed, entertainment center and his and her en-suite baths. Below decks, the guest area has a foyer with guest refrigerator, ice and coffee station. There are three queen cabins and one twin cabin, all with entertainment centers and en-suite baths.

Thanks to her extensive refits from 2016 through 2022, LONE STAR not only looks like new but also sports some highly desirable modern amenities such as a jacuzzi on the flybridge, a 34' towed tender, Sea Bobs, jet skis, a wide of array of water toys, as well as an inflatable island and dock to make the most of your time on the water.
